(*b*) Read Saklespur Sub-Division Assistant Commissioner's docket No. 308, dated 1st May 1912, stating that under the circumstances stated by the Executive Engineer, there seems to be no option but to construct a new well on the proposed site to which the Amildar of Manjarabad Taluk has also agreed.

Resolution.—Resolved that in the circumstances mentioned by the Executive Engineer and the Assistant Commissioner, Saklespur Sub-Division, there appears no alternative but to decide upon the site selected for the Local Fund Dispensary well and there to sink a new Local Fund well at a cost of Rs. 300, available from District Funds since the District Medical and Sanitary Officer now present also advises the same and states that there will be no objection to the public resorting to that spot along the southern portion of the Dispensary compound.
